# Evolutions

## Insurance & Billing

In the newest addition to the Evolutions Workshop, the Insurance & Billing Workshop has been developed to empower you and your team to navigate the fundamentals and complexities of claims management in your practice. Through review of the basics and fundamentals, best practices for managing your accounts receivables, and understanding the entire life cycle of a claim and accounts receivables management, this all encompassing workshop is going to help you and your team optimize the revenue within the practice.

- Review the fundamentals
- Understand the life cycle of a claim
- Accounts receivables management
- Modifiers, rejections, denials, appeals

---

## Employee Relations

The popular Employee Relations Training is perfect for any team member in a leadership role! We discuss everything from recruiting, hiring, and training quality candidates, to goal setting, one-on-ones, and performance evaluations. Your leaders will benefit from the conversation and tools provided during this workshop which are necessary to create a culture of accountability within your practice.

- Build a Quality Team
- Develop your Team
- Communication and Goal Setting
- Coaching vs. Counseling
- Develop and Deliver Performance Evaluations
